

## Product information

# 97 51 12

## Crimping Pliers for Western plugs

- Improved opening mechanism, optimised design, less weight
- Can be used to crimp 4-, 6- and 8-pin Western plugs
- For cutting and stripping unshielded ribbon telephone cables
- Precise crimping process thanks to parallel crimping
- Repetitive, high crimping quality due to integral lock (self-releasing mechanism)
- Optimum transmission of force due to lever action for fatigue-reduced operation
- For Western plug type RJ 10 (7.65 mm wide), RJ 11/12 (9.65 mm wide) and RJ 45 (11.68 mm wide) long design
- With length cutter and stripping knife for ribbon cables 6 and 12 mm length
- Head burnished, handles with two-colour multi-component grips
- With additional stripping device for round cables
- Chrome vanadium electric steel in special quality, oil-hardened
