Shadow Lizard

schleich Shadow Lizard:

The Shadow Monitor's silver-gray core is truly impressive. Here and there, purple accents flash across its scaly lizard skin. On its back, a shimmering, transparent purple crest flickers like a flame. The Shadow Monitor stares down its opponents with its wicked red gaze. If anyone gets too close, it bares its fiery tongue and powerful fangs!

The Shadow Monitor is a creature of darkness, courageously defending its kingdom in the Shadow World. Did it just hear something? In a flash, it seems to vanish into the night, unseen by the naked eye. It lies in wait, perfectly concealed. Only the violet, jagged crest on its back can be glimpsed in the dark. Occasionally, a purple scale shimmers when struck by a pale light. Otherwise, the Shadow Monitor is entirely invisible. It waits patiently for intruders, ready to strike with its sharp jaws. Watch out!
