

Maxos fusion

LL500Z CB-CH WH

Maxos fusion Acc. - White

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With the electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future lay-out changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

Product data

General Information		Order product name	LL500Z CB-CH WH
CE mark	CE mark	EAN/UPC - Product	8718696374603
Material	Stainless steel	Order code	910925864233
Accessory color	White	Numerator - Quantity Per Pack	1
Product family code	LL500Z [Maxos fusion Acc.]	Numerator - Packs per outer box	15
Approval and Application		Material Nr. (12NC)	910925864233
Mech. impact protection code	IK00 [No protection]	Net Weight (Piece)	0.081 kg
Product Data			
Full product code	871869637460399
