

## ASUS ROG Ryuo III 360 ARGB Processor Liquid cooling kit 12 cm Black

**Brand :** ASUS

**Product code:** 90RC00I1-M0UAY0

**Product name :** ROG Ryuo III 360 ARGB

- The latest 8th gen Asetek pump is armed with a 3-phase motor that delivers ultimate cooling performance with higher flow and lower impedance
  - The ASUS-exclusive Anime Matrix™ is a mini LED array that can display ROG-exclusive anime content, core system stats, and customized animations
  - Premium ROG ARGB fans offer high airflow and optimized noise levels
  - Aluminum components and vacuum coating provide high durability and flagship aesthetics
  - The ROG Ryuo series is styled to complement the ROG motherboards at the heart of a high-end build
- ROG Ryuo III 360 all-in-one CPU liquid color with Asetek 8th gen pump solution, Anime Matrix™ LED Display and ROG ARGB cooling fans
- ASUS ROG Ryuo III 360 ARGB. Type: Liquid cooling kit, Fan diameter: 12 cm, Rotational speed (max): 2200 RPM, Maximum air pressure: 3.88 mmH2O. Product colour: Black

| Performance                 |                                                        | Design                     |                   |
|-----------------------------|--------------------------------------------------------|----------------------------|-------------------|
| Suitable location *         | Processor                                              | Number of heat pipes       | 2                 |
| Type *                      | Liquid cooling kit                                     | Illumination LED           | ✓                 |
| Fan diameter                | 12 cm                                                  | Illumination colour        | Blue, Green, Red  |
| Supported processor sockets | LGA 1200 (Socket H5), LGA 1700, Socket AM4, Socket AM5 | Display type               | LED               |
| Rotational speed (max)      | 2200 RPM                                               | Weight & dimensions        |                   |
| Noise level (high speed)    | 36.45 dB                                               | Radiator width             | 40 cm             |
| Maximum airflow             | 70.07 cfm                                              | Radiator depth             | 12 cm             |
| Maximum air pressure        | 3.88 mmH2O                                             | Radiator height            | 3 cm              |
| Pump motor speed (min)      | 800 RPM                                                | Weight                     | 1.1 kg            |
| Pump motor speed (max)      | 2600 RPM                                               | Fan dimensions (W x D x H) | 120 x 120 x 25 mm |
| Design                      |                                                        | Package width              | 426 mm            |
| Product colour *            | Black                                                  | Package depth              | 210 mm            |
| Material                    | Aluminium, Rubber                                      | Package height             | 130 mm            |
| Radiator material           | Aluminum                                               | Package weight             | 3.27 kg           |
| Base plate material         | Copper                                                 | Packaging content          |                   |
| Number of fans              | 3 fan(s)                                               | Package type               | Box               |
| Number of fan blades        | 7                                                      | Cables included            | Fan               |
