- Water-resistant smart light for bathrooms (IP44)

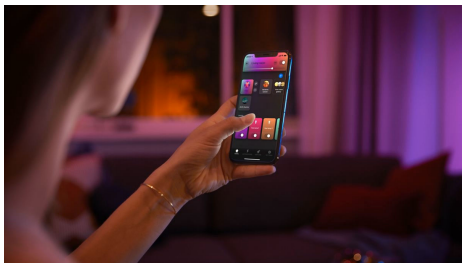
Issue date: 2026-01-14 Version: 0.258

Highlights

Control up to 10 lights with the Bluetooth app

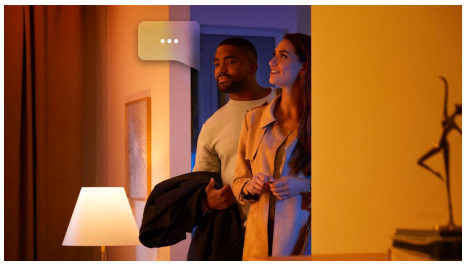


With the Hue Bluetooth app, you can control your Hue smart lights in a single room of your home.Add up to 10 smart lights and control them all with just the touch of a button on your mobile device.

Unlock the full suite of smart lighting features with the Bridge

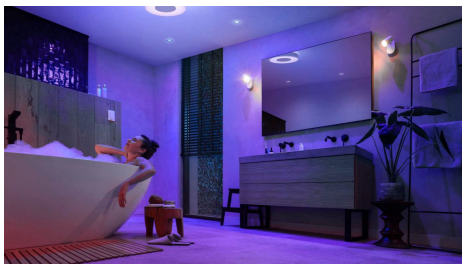
The Bridge unlocks the features that make smart lighting truly smart – away-from-home control, voice control, automated lighting and much more. Add a Bridge to your setup to create immersive experiences, tap into technology that's secure and reliable, and more. The Bridge is the key to smart lighting like you've never seen before.

Set up hands-free voice control



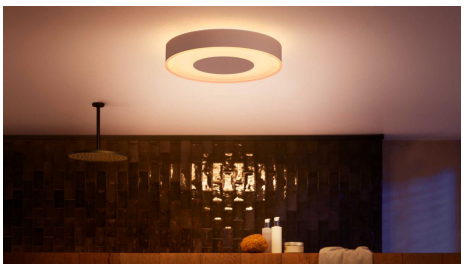
Philips Hue works with Amazon Alexa and Google Assistant when paired with a compatible Google Nest or Amazon Echo device. Control multiple lights in a room or just a single lamp with simple voice commands.

Create a personalised experience with colourful smart light



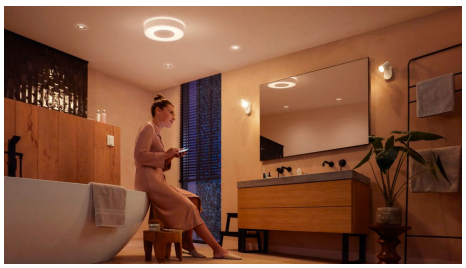
Use millions of colours of light to transform your bathroom, instantly creating a unique atmosphere. With the touch of a button, you can cast your soak in the tub surrounded in a calming pink glow, or light your bathroom in vibrant purple to make getting ready for a night out with friends even more fun.

Water-resistant smart light for bathrooms (IP44)



Philips Hue smart bathroom lights have been rigorously tested to make sure that they are water resistant, making them ideal for lighting humid environments. Each bathroom light meets IP44 standards.

Optimised light recipes for your daily activities



Use the preset Philips Hue light recipes to fit your mood or activities throughout the day. Start your day with the bright white light of the Energise light recipe, or unwind with the subtle, soft light of Relax. Reading a book in the bath? Set the Read recipe for just the right light.

Water-resistant smart light for bathrooms (IP44)

The Philips Hue Xamento series of smart bathroom lights have been rigorously tested to ensure that they are water resistant, making them ideal for humid environments. Each bathroom light meets IP44 standards.
