Protect your watch from the hazards of everyday life with PanzerGlass®. It even keeps your watch safe if you knock it down from your nightstand or bathroom sink onto a stone-hard floor. As an added bonus, the smudge-free coating with antibacterial effect kills up to 99.99% of all common surface bacteria and reduces traces of fingerprints and dirt. The screen protector glass is easy to apply and once installed, you'll never again fear the screeching sound of glass against metal.
