Hannah's Western Adventures

schleich HORSE CLUB Hannah's Western Adventures:

Everything is ready and Hannah's western adventure can begin: The Paint Horse Gelding is already wearing his western saddle and bridle, Hannah is sporting her cowboy hat. The obstacles are ready on the meadow and the three barrels are also set up. Now the two can show what's inside them!

It's finally here - Hannah's western adventure can begin! She has decided to take part in barrel racing with her loyal Paint Horse Gelding. They have practiced hard for this tournament. The three barrels have already been set up on the paddock. The goal: To maneuver her horse round these barrels in a set sequence as quickly as possible. Are they fast enough to win? But before the tournament starts, Hannah warms up a little with her Paint Horse Gelding and has her jump a few obstacles. Of course, she wears a cowboy hat and sits in the western saddle. The two look great, don't they?
