Techly Floor stand for 23" to 55" LCD/LED/Plasma TVs:

ICA-TR414 is an attractive free-standing floor stand for 23" to 55" TVs. It features a simple design, with an elegant and stable wooden base that fits perfectly in any room, even in confined spaces. The TV floor stand is compact and functional.

Thanks to the matte black finish column and integrated cable management, it hides the TV cable making the installation neat and tidy.

Six possible height adjustments ensure you always get the best view by aiming the TV at exactly eye level.

Readers, remote controls, consoles and other small objects can be conveniently stored on the storage walnut shelf which has the same refined wood finish as the support base.
