Hot Wheels City Mega Hauler with Storage for up to 50 1:64 scale cars ages 3 and older:

The Hot Wheels Mega Hauler is a big rig for big adventures with endless storytelling possibilities. This massive hauler can be loaded with up to 50 cars in its six expandable levels and that's just the beginning! At the back of the hauler there is a ramp that comes down to connect to Hot Wheels City sets. The cab of the rig opens with space to park 2 more vehicles and the cool transparent side panel opens so kids can store their favourite rides in a special spot. Connect the Mega Hauler to Hot Wheels orange track and roll cars right into a side-by-side race for traditional track play, too!
