FUTURO Deluxe Thumb Stabilizer, Black, Small/Medium

3M FUTURO 45843 Finger Brace S/M:

The FUTURO™ Deluxe Thumb Stabiliser provides comfortable protection and moderate support for weak, aching or sore thumbs, so you can focus on the task at hand—whether that's using your phone, texting, gaming or gardening. This thumb stabilizer features two supportive stays and adjusts for a customisable fit. The stabilisers restrict excessive movement and provide stability to the lower thumb joints, which helps alleviate pain. The comfortable thumb sleeve and strap allow for customisable support to let you adjust the required degree of compression. The non-elastic lacing system with hook tab makes it easy to wear on either or both hands. Made of breathable material, it is durable and easily washable. So, you need not worry about hygiene.
