Bosch UniversalDistance 40C Line level 40 m 635 nm (< 1 mW):

Precise laser measurements up to 40 m with app-connected digital documentation

Renovation planning at your fingertips. Not only does the UniversalDistance 40C measure distances up to 40 m with laser precision but it also provides furniture dimensions at a glance. Its integrated functions enable area and volume calculations to determine the amount of material needed for jobs such as flooring installations and even wallpaper or paint for wall projects. Results are featured on a high-quality colour display for optimum readability. All data can be sent to the Bosch app for digital documentation and project planning, saving time and preventing errors.
