Daewoo GDA 7500E-3 engine-generator 6000 W 30 L Petrol Orange, Black:

Reliable DAEWOO engine

Specially developed for a series of Master Line generators. It has an engine life of 1,500 hours. Quality control on all production phases is guaranteed by a unique engine serial number.

Multifunctional display

The Multifunctional display shows all key operation parameters in real-time such as: voltage, frequency, and the number of hours of operation which can be sustained before the next generator maintenance period falls due.

Electric starter

A built-in electric starter and battery make it easier for operators to operate the generator by turning on of the ignition key without pulling the starter. The key makes starting easy and comfortable for users.

ATS or the automatic transfer switch

The generator is equipped with ATS input. The alternator management system can be connected to the generator during a power outage.
