Granite Wolf

schleich ELDRADOR CREATURES Granite Wolf:

Watch out: The Granite Wolf is stalking the realms of Eldrador! Lurking among the rocky terrain of Stone World, the Granite Wolf is a fiendish monster to behold. Those crystal spikes and razor-sharp fangs strike fear into any creature that crosses his path. Suitable for kids ages 5 and up.

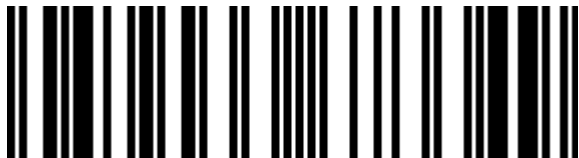

The Granite Wolf creeps through the night like a dangerous shadow. Its green eyes shimmer ominously. It's on the lookout for easy prey it can seize with its sharp fangs. If you look closely, in the distance you will spot the green glow of its poisonous back crystals just in time. Then it's a case of running away as quickly as possible, because the Granite Wolf is no fool.
