

Unold Egg cooker Edel

Brand : Unold

Product code: 38626

Product name : Egg cooker Edel

Egg cooker Edel 38626

Unold Egg cooker Edel:

Up to seven eggs can be cooked in the EIERKOCHER Edel in one go. Soft-boiled, medium or hard? No problem, because the required amount of water is filled with the scaled measuring cup. When it is cooked, the signal tone signals: "Done!". Incidentally, the measuring cup also has an egg piercer. The eggs stand securely in the stainless steel cooking bowl. Speaking of stainless steel: the chic, satin-finished housing of the EIERKOCHER Edel is also made of this material. In the stylish mix of black and high-quality stainless steel, it is an eye-catcher for the modern kitchen ambience - and the practical kitchen assistant is also BPA-free! Suitability for everyday use, functionality and convenience are a strong trio with the EIERKOCHER Edel - because all non-electrical parts are also dishwasher-safe.

Features		Packaging data	
Eggs capacity *	7 egg(s)	Package width	160 mm
Housing material	Stainless steel	Package depth	160 mm
Lid material	Stainless steel	Package height	166 mm
Adjustable egg consistency	✗	Package weight	700 g
Control type	Button	Other features
